Dividend Investment Scheme (“DRIS”)

Under the DRIS, Shareholders may elect to re-invest dividends that they are due to receive from the Company in new Ordinary Shares allotted for that purpose. This provides the Company with additional funds for investment. As new Ordinary Shares will be issued, Shareholders are also able to claim tax reliefs on the Ordinary Shares issued under the DRIS, including 30 per cent. income tax relief on their investment (subject to the terms of the VCT legislation and the personal circumstances of the Shareholder).

Shareholders can elect, by completing the Mandate Form on pages 1 and 2 of this document, to re-invest all future dividends in new Ordinary Shares or re-invest a proportion of their future dividends in new Ordinary Shares.

If Shareholders state in Box 1 above that they want to receive new Ordinary Shares in respect of the full number of Ordinary Shares in their holding, the dividends that they would be entitled to receive on Ordinary Shares issued under the DRIS will also be re-invested.

Where a valid election is in place, new Ordinary Shares will be issued at a price equivalent to the greatest of:

1. the latest published net asset value per Ordinary Share (net of all dividends previously declared but not yet paid);
2. the nominal value per Ordinary Share; and
3. the mid-market price per Ordinary Share as quoted on the London Stock Exchange, each as at the close of business on the tenth Business Day preceding the date of issue of such Ordinary Shares.

The Company will not issue more than 10 per cent. of the Company’s issued share capital in any 12 month period under the DRIS. If this limit is reached, the entitlements of each DRIS participant will be scaled back on a pro-rata basis.

Where Ordinary Shares are registered in the name of a Nominee Shareholder, the Nominee Shareholder should complete the first page of the Mandate Form together with the “To be completed by the Nominee Shareholder” section on the reverse of the Mandate Form. The Beneficial Shareholder should then complete the “To be completed by the Beneficial Shareholder” section on the reverse of the Mandate Form and confirm that the dividends attributable to such Beneficial Shareholder shall be applied towards participation in the DRIS and indicate in whose name the new Ordinary Shares should be registered. This process is intended to record that the Beneficial Shareholder is authorising the Nominee Shareholder to subscribe for new shares to be held in the Nominee Shareholder’s name whilst still enabling the Beneficial Shareholder to obtain income tax relief on the subscription for new Ordinary Shares.

Mandate Forms must be received no later than 10 Business Days before a dividend or special dividend is due to be paid to Shareholders in order for the Applicant to participate in the DRIS in relation to that dividend or special dividend. The DRIS is managed by the Company’s registrars, Equiniti Limited.

Your attention is drawn to the Appendix, which contains the DRIS Terms and Conditions (and related definitions) in Part A and certain risk factors relating to the Company in Part B. The Mandate Form for those Shareholders wishing to participate in the DRIS is contained on pages 1 and 2 of this document.

If you have any queries in connection with the DRIS or if you require another Mandate Form, please contact the DRIS Manager on 0207 523 4837.

Shareholders may choose to participate in the DRIS at any time by returning a completed Mandate Form to the DRIS Manager.

1 General

- (a) The right to participate in the DRIS will not be available to any person who is a citizen, resident or national of, or has a registered address in, any jurisdiction outside the United Kingdom, unless such right could properly be made available to such person. It is the responsibility of any Applicant wishing to participate in the DRIS to be satisfied as to the full observance of the laws of the relevant jurisdiction(s) in connection therewith, including obtaining any governmental or other consents which may be required and observing any other formalities needing to be observed in any such jurisdiction(s).
- (b) By completing and delivering a Mandate Form, each Applicant (and in the case of the second two points below the Shareholder in whose name the Ordinary Shares are mandated to the DRIS are held, if not the Applicant) warrants to the Company and the DRIS Manager that:
- during the continuance of his or her participation in the DRIS, he or she will remain the sole Beneficial Shareholder of the Ordinary Shares mandated to the DRIS free from encumbrances or security interests;
 - all information set out in the Mandate Form to participate in the DRIS is correct and to the extent any of the information changes, he or she will notify the DRIS Manager of such changes; and
 - during the continuance of his or her participation in the DRIS, he or she will comply with the provisions of paragraph 8 below.
- (c) By completing and delivering the Mandate Form, the Applicant:
- agrees to provide the Company and the DRIS Manager with any information which they may request in connection with such application and to comply with the applicable legislation relating to venture capital trusts or other relevant legislation (as the same may be amended from time to time); and
 - declares that a loan has not been made to the Applicant or, where the Applicant is not a Shareholder, the Shareholder on whose behalf the Ordinary Shares mandated to the DRIS are held, or any associate of either of them, which would not have been made, or would not have been made on the same terms, but for the Applicant offering to subscribe for, or acquiring, Ordinary Shares pursuant to the DRIS and that the Ordinary Shares are being acquired for bona fide commercial purposes and not as part of a scheme or arrangement the main purpose of which, or one of the main purposes of which, is avoidance of tax.
- (d) Each Applicant acknowledges that neither the DRIS Manager nor the Company is providing a discretionary management service to him or her. Neither the DRIS Manager nor the Company shall be responsible for any loss or damage suffered by any Applicant as a result of his or her participation in the DRIS unless due to the negligence or wilful default of the DRIS Manager or the Company (respectively), or their employees or their respective agents.
- (e) The provision and implementation of the DRIS should not be taken as a recommendation by the Company or the DRIS Manager to any Shareholder to acquire or hold Ordinary Shares in the Company, the value of Ordinary Shares can go down as well as up and the Shareholder may not get back the full value of his or her investment. It may be difficult to sell Ordinary Shares and investment in the Company involves a higher degree of risk than certain other investments. It is the responsibility of Shareholders to decide whether to participate in the DRIS, if the Shareholder has any doubts, he or she should ask for advice from an appropriately qualified financial adviser. On acceptance of an application for participation in the DRIS from an Applicant, the DRIS Terms and Conditions and the instruction set out in the Mandate Form shall constitute an agreement between the Applicant and the Company.

2 Participation in the DRIS

- (a) Applicants may join the DRIS by giving notice in writing to the DRIS Manager. The Company, acting through the DRIS Manager, shall have absolute discretion to accept or reject applications to participate in the DRIS. An Applicant shall become a member of the DRIS upon acceptance of his or her application by the DRIS Manager on the Company's behalf. The DRIS Manager will provide written notification if an application is rejected. Only Shareholders or their applicable Nominee Shareholder may join the DRIS.
- (b) In order to participate in the DRIS in relation to a certain Investment Day an Applicant must have notified the DRIS Manager of their intention to participate in the DRIS at least 10 Business Days prior to the relevant Investment Day.
- (c) The Company shall not be obliged to accept any application or issue Ordinary Shares hereunder if the Directors so decide in their absolute discretion. The Company may do or refrain from doing anything which, in the reasonable opinion of the Directors, is necessary to comply with the law of any jurisdiction or any rules, regulations or requirement of any regulatory authority or other body which is binding upon the Company or the DRIS Manager.
- (d) The Company and the DRIS Manager shall be entitled, at their absolute discretion at any time and from time to time, to suspend the operation of the DRIS and/or to terminate the DRIS without notice to the Applicants and/or to resolve to pay dividends to Applicants partly by way of cash and partly by way of new Ordinary Shares and/or to refuse to invest dividends due on Ordinary Shares held by a Nominee Shareholder where the DRIS Manager is unable to obtain confirmation of the identity and shareholdings of the relevant Beneficial Shareholder. In the event of termination, the Company shall, subject to the condition at paragraph 5(c), pay to each Applicant all of the monies held by the Company on his or her behalf under the DRIS.
- (e) Applicants who are not Shareholders may join the DRIS in respect of the number of Ordinary Shares of the Company specified as Nominee Shareholdings and notified to the DRIS Manager by the Applicant and the Shareholder in whose name the Ordinary Shares are held.
- (f) Where an Applicant joins the DRIS in respect of all Shares registered in his or her name, the number of Ordinary Shares held by any such Applicant which are mandated to the DRIS shall be altered immediately following any change to the number of Ordinary Shares in respect of which such Shareholder is the registered holder as entered onto the share register of the Company from time to time.
- (g) Applicants who hold their Ordinary Shares through a Nominee may join the DRIS in respect of the number of Ordinary Shares of the Company specified as Nominee Shareholdings and notified to the DRIS Manager by the Applicant and the Shareholder in whose name the Ordinary Shares are held.

3 Issue of Ordinary Shares under the DRIS

- (a) On an Investment Day, dividends paid, or to be paid, on Ordinary Shares held by, or on behalf of, Applicants who have elected to participate in the DRIS in relation to those Ordinary Shares shall be transferred by the Company to the DRIS.
- (b) On or as soon as practicable after an Investment Day, the funds held within the DRIS on behalf of an Applicant shall be applied on behalf of that Applicant in the subscription for the maximum number of whole new Ordinary Shares as can be acquired with those funds.
- (c) The number of new Ordinary Shares to be allotted to an Applicant pursuant to the DRIS shall be calculated by dividing the funds held within the DRIS on behalf of the Applicant by the greatest of:
- the latest published net asset value per Ordinary Share (net of all unpaid dividends declared on or before an Investment Day);
 - the nominal value per Ordinary Share; and
 - the mid-market price per Ordinary Share as quoted on the London Stock Exchange, each at the close of business on the tenth Business Day preceding the date of issue of such Ordinary Shares.

Fractions of new Ordinary Shares will not be allotted to Applicants and their entitlement will be rounded down to the nearest whole number of new Ordinary Shares.

- (d) Any balance of cash remaining within the DRIS for the account of an Applicant after an issue of Ordinary Shares is made shall be held by the Company on behalf of the relevant Applicant and added to the cash available in respect of that Applicant for the subscription of Ordinary Shares on the next Investment Day. No interest shall accrue or be payable in favour of any Applicant on any such cash balances carried forward. All cash

balances held by the Company will be held as banker and not trustee and as a result will not be held in accordance with any client money rules made by the Financial Conduct Authority from time to time.

- (e) The new Ordinary Shares will rank equally with all existing Ordinary Shares.
- (f) The issue of Ordinary Shares under the DRIS shall be conditional on the following:
 - the Company having the requisite Shareholder authorities to allot Ordinary Shares under the DRIS; and
 - the Company having not issued Ordinary Shares representing more than 10 per cent. of its issued share capital under the DRIS in the 12 months immediately preceding the Investment Day, if this limit is reached in relation to Ordinary Shares to be issued on an Investment Day, the entitlements of each Applicant in relation to that Investment Day will be scaled back on a pro-rata basis.
- (g) The Company shall immediately after the issue of Ordinary Shares under the DRIS take all necessary steps to ensure that those Ordinary Shares shall be admitted to the Official List and to trading on the premium segment of the main market of the London Stock Exchange, provided that at the time of such issue the existing Ordinary Shares in issue are so admitted to the Official List and to trading on the premium segment of the main market of the London Stock Exchange.
- (h) The DRIS Manager shall as soon as practicable after the issue of Ordinary Shares take all necessary steps to ensure that the Applicants (or, where an Applicant is not a Shareholder, the Shareholder on whose behalf the Ordinary Shares mandated to the DRIS are held) are entered onto the share register of the Company as the registered holders of the Ordinary Shares issued to them in accordance with the DRIS, and that share certificates (unless such Ordinary Shares are to be uncertificated in which case the new Ordinary Shares will be credited to the Applicant's CREST account) in respect of such Ordinary Shares are issued and delivered to Applicants at their own risk.
- (i) Applicants (or such other person as aforesaid) will receive with their share certificates (if any) a statement detailing:
 - the total number of Ordinary Shares held at the Investment Day in respect of which a valid election to participate in the DRIS was made;
 - the amount of the dividend available for investment and participation in the DRIS;
 - the price that each Ordinary Share was issued at under the DRIS;
 - the number of Ordinary Shares issued and the date of issue; and
 - the amount of cash to be carried forward for investment on the next Investment Day.

4 Tax reliefs

- (a) Subscriptions by individuals or their nominees for eligible shares in a venture capital trust should (depending on individual circumstances) attract applicable VCT tax reliefs for the tax year in which the new shares are allotted provided that such subscriptions for eligible shares do not exceed £200,000 (including subscriptions pursuant to dividend reinvestment schemes) in any tax year. Where Ordinary Shares are registered in the name of a Nominee Shareholder, the Nominee Shareholder shall notify the Beneficial Shareholder of the amount of the dividend to which he or she is entitled and which is eligible for participation in the DRIS. Each of the Nominee Shareholder and the Beneficial Shareholder shall complete the Mandate Form and the Beneficial Shareholder shall further confirm that the dividends attributable to the Ordinary Shares held on behalf of such individual shall be applied towards participation in the DRIS and indicate in whose name the Ordinary Shares should be registered.
- (b) Applicants will be treated as having received a cash dividend. Shareholders qualifying for VCT tax relief should not be liable to income tax on new Ordinary Shares allotted in respect of dividends from qualifying VCT shares (subject to the terms of the VCT legislation). Applicants are responsible for ascertaining their own tax status and liabilities and neither the DRIS Manager nor the Company accepts any liability in the event that tax reliefs are not obtained.
- (c) Since dividends on Ordinary Shares acquired in excess of £200,000 in any tax year will not be exempt from income tax in the same way as Ordinary Shares acquired within this limit, Applicants will generally be liable to tax on such dividends. The Company will nevertheless invest the whole of such dividends unless the DRIS Manager is notified to the contrary in writing at least 10 Business Days before an Investment Day.
- (d) For capital gains tax purposes, Shareholders who elect to receive new Ordinary Shares instead of a cash dividend are not treated as having made a capital disposal of their existing Ordinary Shares. The new Ordinary Shares will be treated as a separate asset for capital gains purposes.

5 Terminating and amending participation in the DRIS

- (a) An Applicant may at any time by completing a Mandate Form and sending it to the DRIS Manager:
 - terminate his or her participation in the DRIS and withdraw any monies held by the Company on his or her behalf in relation thereto; or
 - vary the number of Ordinary Shares registered in the name of the Applicant in respect of which he or she is entitled to receive dividends pursuant to the DRIS.
- (b) If an Applicant who is a Shareholder shall at any time cease to hold Ordinary Shares, he or she shall be deemed to have submitted a Mandate Form under paragraph (a) above in respect of his or her participation in the DRIS. Whenever a Nominee Shareholder sells Ordinary Shares on behalf of the Beneficial Shareholder, the Nominee Shareholder agrees to notify the DRIS Manager of the full details of the sale as soon as practicable. Neither the Company nor the DRIS Manager shall be responsible for any loss or damage as a result directly or indirectly of a failure by a Nominee Shareholder to comply with such obligation. If a Shareholder in whose name Ordinary Shares are held on behalf of an Applicant shall at any time cease to hold any Ordinary Shares on behalf of that Applicant, he or she shall be deemed to have submitted a Mandate Form under paragraph (a) above in respect of his or her participation in the DRIS. If notice of termination is served or deemed to have been served, all of the monies held by the Company on the Applicant's behalf shall be delivered to the Applicant as soon as reasonably practicable at the address set out in the Mandate Form, subject to any deductions which the Company may be entitled or bound to make hereunder. Any Mandate Form submitted or deemed to have been submitted under the condition at this paragraph 10 shall not be effective in respect of the next forthcoming Investment Day unless it is received by the DRIS Manager at least 10 Business Days prior to such Investment Day.
- (c) Cash balances of less than £1 held on behalf of Applicants who have withdrawn from, or otherwise cease to participate in, the DRIS will not be repaid, but will be donated to a recognised registered charity at the discretion of the Company.

6 Notices

All Mandate Forms and any other notices and instructions to be given to the DRIS Manager shall be in writing and delivered or posted to Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA.

7 Liability

- (a) The amount of any claim or claims an Applicant has against the Company or the DRIS Manager shall not exceed the value of such Applicant's Ordinary Shares in the DRIS. Neither the Company nor the DRIS Manager will be responsible for:
- acting or failing to act in accordance with a court order of which the DRIS Manager has not been notified (regardless of the jurisdiction which may govern the relevant court order);
 - forged or fraudulent instructions from or on behalf of a Shareholder (the Company and the DRIS Manager will be entitled to assume that instructions purporting to be from a Shareholder (or, where relevant, a Nominee Shareholder), are genuine);
 - losses, costs, damages or expenses sustained or incurred by a Shareholder (or, where relevant, a Nominee Shareholder) by reason of industrial action or any cause beyond the control of the Company or the DRIS Manager, including (without limitation) any failure, interruption or delay in performance of the obligations pursuant to these DRIS Terms and Conditions resulting from breakdown, failure or malfunction of any telecommunications or computer service or electronic payment system or CREST; or
 - any indirect or consequential loss.
- (b) Nothing in these DRIS Terms and Conditions shall exclude the Company or the DRIS Manager from any liability caused by fraud, wilful default or negligence.

8 Governing Law

These DRIS Terms and Conditions shall be governed by, and construed in accordance with, English law and each Applicant submits to the jurisdiction of the English courts and agrees that nothing shall limit the right of the Company or the DRIS Manager to bring any action, suit or proceeding arising out of or in connection with the DRIS in any other manner permitted by law or in any court or competent jurisdiction.

PART B RISK FACTORS

The Company's business, financial condition or results could be materially and adversely affected by any of the risks described below. In such cases, the market price of the Ordinary Shares may decline due to any of these risks and investors may lose all or part of their investment. Additional risks and uncertainties not presently known to the Directors, or which the Directors currently deem immaterial, may also have an adverse effect on the Company. The Directors consider the following to be all the material risks for potential investors in the Company, but the risks listed do not necessarily comprise all those associated with an investment in the Company and are not set out in any particular order of priority:

- Any change of governmental, economic, fiscal, monetary or political policy, in particular any changes to taxation, tax reliefs and changes to the VCT rules, could materially affect, directly or indirectly, the operation and/or the performance of the Company (and the portfolio companies in which it invests), the value of and returns from Ordinary Shares and/or the ability of the Company to achieve or maintain VCT status.
- While it is the intention of the Directors that the Company will be managed so as to continue to qualify as a VCT, there can be no guarantee that this status will be maintained. A failure to meet the qualifying requirements could result in the loss of tax reliefs previously obtained, resulting in adverse tax consequences for investors, including a requirement to repay the income tax relief obtained, and could also cause the Company to lose its exemption from corporation tax on capital gains.
- As a result of the tax status of VCTs, investments by VCTs in underlying portfolio companies are regarded as State Aided investments. Where the European Commission believes that State Aid has been provided which is not in accordance with the Risk Finance Guidelines, they may require that the UK Government recovers that State Aid. In addition following the UK's exit from the EU on 31 January 2020, it is not clear if State Aid rules will apply to the UK going forward.
- The primary focus of the Company's qualifying portfolio is on investments in AIM-traded companies. Investment in AIM-traded companies, by its nature, may involve a higher degree of risk than investment in companies traded on the main market of the London Stock Exchange. In particular, AIM-traded companies are often smaller companies which may have limited product service lines, markets or financial resources and may be dependent for their management on a smaller number of key individuals.
- Investments in AIM-traded companies are more likely to be illiquid than investments in companies traded on the main market of the London Stock Exchange. Investments may not be able to be realised within a reasonable timeframe or at all.
- Although the Ordinary Shares are listed on the Official List and are admitted to trading on the London Stock Exchange, and any Ordinary Shares issued pursuant to the DRIS will be listed on the Official List and admitted to trading on the London Stock Exchange, it is likely that there will not be a liquid market in the Ordinary Shares and Shareholders may have difficulty in selling them, primarily because the initial income tax relief is only available to those subscribing for newly issued shares. The Ordinary Shares usually trade at a discount to the Net Asset Value of the Company.
