- 17.13. Where such authorisation has been given, the duty of the Director in question to avoid a conflict of interest shall not be infringed in relation to that matter.

- 24.4. An Associate Director shall not except with the approval of the Directors and to the extent of any such approval:

 - 24.4.2. be entitled to receive notice of or to attend at meetings of the Directors or of any Committee of the Directors.

27. RESERVES, DIVIDENDS AND MISCELLANEOUS RESERVES

- 27.1. Subject to the Statutes the Directors may before recommending any dividends whether preferential or otherwise carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for meeting depreciation or contingencies or for special dividends or bonuses or for equalising dividends or for repairing, improving or maintaining any of the property of the Company or for such other purposes as the Directors may think conducive to the objects of the Company or any of them and pending such application may at the like discretion either be employed in the business of the Company or be invested in such investments as the Directors think fit. The Directors may divide the reserve into such special funds as they think fit, and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they think fit. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also without placing the same to reserve carry forward any profits which they may think it not prudent to divide.
- 27.2. At any time when the Company has given notice in the prescribed form (which has not been revoked) to the registrar of companies of its intention to carry on business as an investment company ("a Relevant Period") distribution of the Company's capital profits (within the meaning of section 833 of the CA 2006) shall be prohibited. The Board shall establish a reserve During a Relevant Period all surpluses arising from the realisation or revaluation of investments and all other monies realised on or derived from the realisation, payment off of or other dealing with any capital asset in excess of the book value thereof and all other monies which are considered by the Board to be in the nature of an accretion to capital shall be credited to the capital reserve. Subject to the Act, the Board may determine whether any amount received by the Company is to be dealt with as income or capital or partly one way

and partly the other. During a Relevant Period, any loss realised on the realisation or payment off of or other dealing with any investments or other capital assets and, subject to the Act, any expenses, losses or liabilities (or provision therefor) which the Board considers to relate to a capital item or which the Board otherwise considers appropriate to be debited to the capital reserve, shall be carried to the debit of the capital reserve. During a Relevant Period, all sums carried and standing to the credit of the capital reserve may be applied for any of the purposes for which sums standing to any revenue reserve are applicable except and provided that, notwithstanding any other provision of these Articles, during a Relevant Period no part of the capital reserve or any other money in the nature of an accretion to capital shall be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as defined by section 829 of the CA 2006) or be applied in paying dividends on any shares in the Company. In periods other than a Relevant Period any amount standing to the credit of the capital reserve may be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as defined by section 829 of the CA 2006) or be applied in paying dividends on any shares in the Company.

28. DIVIDENDS AND OTHER PAYMENTS

- 28.1. Subject as hereinafter provided the Company in general meeting may declare a dividend to be paid to the Members according to their respective rights and interests in the profits, but no larger dividend shall be declared than is recommended by the Directors.
- 28.2. No dividend or other moneys payable by the Company shall bear interest as against the Company.
- 28.3. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid up on the shares in respect whereof the dividend is paid, but no amount paid up on a share in advance of Calls shall be treated for the purpose of this Article as paid up on the share. Subject as aforesaid all dividends shall be apportioned and paid proportionately to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share carries any particular rights as to dividends such share shall rank for dividend accordingly.
- 28.4. In the case where several persons are registered as joint holders of any share any one of such persons may give effectual receipts for all dividends and payments on account of dividends in respect of such share.
- 28.5. The Directors may from time to time pay an interim dividend to the Members.
- 28.6. No dividend or interim dividend shall be payable except in accordance with the provisions of the Statutes.
- 28.7. All dividends, interest or other sums payable unclaimed for one year after having been declared may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed. Subject to a resolution by the Board all dividends unclaimed for a period of twelve years after having been declared shall be forfeited and shall revert to the

Company. The payment of any unclaimed dividend, interest or other sum payable by the Company on or in respect of any share into a separate account shall not constitute the Company a trustee thereof.

- 28.8. Every dividend shall belong and be paid (subject to the Company's lien) to those Members who shall be on the Register at the date fixed by the Directors for the purpose of determining the persons entitled to such dividend (whether the date of payment or some other date) notwithstanding any subsequent transfer or transmission of shares.
- 28.9. The Directors may deduct from any dividend or other moneys payable to any Member on or in respect of a share all such sums as may be due from him to the Company on account of Calls or otherwise in relation to shares of the Company.
- 28.10. The Company may pay any dividend interest or other sum payable in cash or by direct debit, bank transfer, cheque, dividend warrant, or money order and may render the same by post to the Members or persons entitled thereto, and in the case of joint holders to the Member whose name stands first in the Register, or to such person and address as the holder or joint holders may direct, and the Company shall not be responsible for any loss of any such cheque, warrant, or order. Every such cheque, warrant, or order shall be made payable to the order of the person to whom it is sent, or to such person as the holder or joint holders may in writing direct, and the payment of the cheques, warrant or order shall be a good discharge to the Company.
- 28.11. Any general meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets and in particular of paid-up shares or debentures of any other company, and the Directors shall give effect to any such direction provided that no such distribution shall be made unless recommended by the Directors. Where any difficulty arises with regard to the distribution, the Directors may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments may be made to any Members upon the footing of the value so fixed, in order to adjust the rights of all parties, and may vest any such assets in trustees upon trust for the persons entitled to the dividend as may seem expedient to the Directors.

29. SCRIP DIVIDENDS

- 29.1. The Directors may, with the prior sanction of an Ordinary Resolution of the Company, offer Members the right to elect to receive in respect of all or part of their holding of shares, additional shares credited as fully paid instead of cash in respect of all or part of such dividend or dividends and (subject as hereinafter provided) upon such terms and conditions and in such manner as may be specified in such Ordinary Resolution. The Ordinary Resolution shall confer the said power on the Directors in respect of all or part of a particular dividend or in respect of all or any dividends (or any part of such dividends) declared or paid within a specified period but such period may not end later than the date of the Annual General Meeting next following the date of the general meeting at which such Ordinary Resolution is passed.

- 29.2. When such right to elect is to be offered to members pursuant to this Article, the Directors shall notify Members of the said right and shall make available to or provide Members with forms of election (in such form as the Directors may approve) whereby the Members may exercise such right.
- 29.3. Each Member who elects to receive additional shares shall be entitled to receive such whole number of additional shares, calculated at the Issue Price for each such share and ignoring any fraction of an additional share, as is nearly as possible equal to (but not in excess of) the cash amount of the dividend which such Member would otherwise have received. For the purpose of this Article the "Issue Price" of an additional share shall be such price as is equal to the average of the middle market quotations for the shares of the Company as derived from the Daily Official List of The Stock Exchange during the period of five dealing days commencing on the day when such shares are first quoted "ex-dividend" or to the par value of a share (whichever is the higher).
- 29.4. Following election by Members in accordance herewith, the Directors shall appropriate out of the profits of the Company available for distribution in accordance with the Act an amount equal to the aggregate nominal value of the number of shares required to be allotted to Members who have given notice of election as aforesaid and shall apply such amount in paying up in full such number of additional shares. The obligation of the Directors to make such appropriation in respect of the shares of a particular Member shall be subject to the right of the Directors under these Articles to retain any dividend or other moneys payable on or in respect of the shares of such Member.
- 29.5. The shares so allotted credited fully paid shall not be entitled to participate in the dividend then being declared or paid but shall in all other respects rank *pari passu* with the fully paid shares then in issue.
- 29.6. Where shares constitute authorised investments for the purposes of the Trustee Investment Act 1961, the Directors shall (unless otherwise resolved by the Company in general meeting) ensure that at least part (being such part as the Directors may decide) of the dividend payable on each such share in each calendar year is paid in cash.
- 29.7. The Directors may on any occasion determine that the rights of election hereunder shall be subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to legal or practical problems under the laws of or the requirements of any recognised regulatory body or any stock exchange in any territory.
- 29.8. The Directors may undertake and do such acts and things as they may consider necessary or expedient for the purpose of giving effect to the provisions of this Article including (without limiting the foregoing) making such provisions as they may think fit in relation to any fraction of any share which may or would arise pursuant to the application of Article 149.3 (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the Members).

30. CAPITALISATION OF PROFITS

- 30.1. The Directors may with the authority of an Ordinary Resolution of the Company:

- 30.1.1. subject as hereinafter provided, resolve to capitalise any undivided profits of the Company (whether or not the same are available for distribution and including profits standing to any reserve) or, any sum standing to the credit of the Company's share premium account or capital redemption reserve fund;
- 30.1.2. appropriate the profits or sum resolved to be capitalised to the Members in proportion to the nominal amount of ordinary shares (whether or not fully paid) held by them respectively, and apply such profits or sum on their behalf, either in or towards paying up the amounts, if any, for the time being unpaid on any shares held by such Members respectively, or in paying up in full shares or debentures of the Company of a nominal amount equal to such profits or sum, and allot and distribute such shares or debentures credited as fully paid up, to and amongst such Members, or as they may direct, in the proportion aforesaid, or partly in one way and partly in the other Provided that the share premium account and the capital redemption reserve fund and any such profits which are not available for distribution may, for the purpose of this Article, only be applied in the paying up of shares to be issued to Members credited as fully paid and provided that in the case where any sum is applied in paying amounts for the time being unpaid on any shares of the Company or in paying up in full debentures of the Company the amount of the net assets of the Company at that time is not less than the aggregate of the called up share capital of the Company and its undistributable reserves and would not be reduced below that aggregate by the payment thereof as shown in the latest audited accounts of the Company or such other accounts as may be relevant;
- 30.2. resolve that any shares allotted under this Article to any Member in respect of a holding by him of any partly paid shares shall, so long as such shares remain partly paid rank for dividends only to the extent that such partly paid shares rank for dividend;
- 30.3. make such provisions by the issue of fractional certificates or by payment in cash or otherwise as the Directors think fit in the case of shares or debentures becoming distributable under this Article in fractions;
- 30.4. authorise any person to enter on behalf of all the Members concerned into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any shares or debentures to which they may be entitled upon such capitalisation (any agreement made under such authority being thereupon effective and binding on all such Members); and
- 30.5. generally do all acts and things required to give effect to such resolution as aforesaid.

31. RECORD DATES

Notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for any dividend, distribution, allotment or issue and such record date may be on or at any time before any date on which such dividend, distribution, allotment
