

# Shareholder seminar 2019

## **Dear Hargreave Hale AIM VCT Shareholder,**

We are delighted to invite you to a shareholder seminar on 28 November 2019 at 12.30.

The event will include an update on the VCT as well as presentations from a range of speakers from investee companies. This will be a perfect opportunity to not only hear from and ask questions of your manager, but also gain an insight into a selection of the investments held by the VCT.

We are proud to be hosting the event at the newly opened Everyman Cinema in Broadgate Circle, one of the latest sites opened by the Everyman Media Group, which the VCT first invested into in 2013.

The presentations will be followed by a screening of Le Mans '66 starring Matt Damon and Christian Bale, which goes on general release on 15 November 2019.

This is sure to be both an informative and enjoyable event and we very much hope you are able to join.

**Date:** Thursday 28 November 2019
